

Peace Be Still IYOU 2010 Event

Three Trails Camp, Kansas City, Missouri
August 1-6, 2010

Group Agreements for a Sponsor

The following agreements apply during the event:

- 1. Process Support** I agree to fully engage and support others in sharing their perspectives.
- 2. Harmony** I will work in harmony with event staff, attendees and sponsoring ministries. Should I disagree with their plans, decisions or leadership style, I will address the issue directly with them.
- 3. Attendance** Unless otherwise authorized by the event coordinator, I will arrive during the designated check-in time and stay through event closing, and participate in all scheduled activities. If I am unable to fulfill my event responsibilities, I will notify event staff of my situation and make sure my responsibilities will be covered by others.
- 4. Standards** I will adhere to all event agreements and state laws. I will promptly report any agreement violation or medical situation to event leaders, and will discuss with the event coordinator any concerns about an attendee's conduct.
- 5. Age-Appropriate Behavior** I agree to participate as an event sponsor, and interact appropriately with YOUers and adults. I will honor risk-management agreements, and be above reproach in my behaviors with YOUers and others. I will maintain appropriate physical boundaries and avoid compromising situations.
During the event activities, I will:
 - not tell offensive jokes, use sexual innuendoes, or share about my sexual histories.
 - not engage in sexual activity; unwanted physical contact; public displays of affection which cause others present to feel uncomfortable; or touch another's genitals, breasts or buttocks.
 - not possess, use or attend under the influence of alcohol or illegal drugs. Smoking is not allowed at IYOU events.
 - seek out a chaplain or peer for advice and counseling on personal matters, rather than YOUers.
- 6. Reporting** I recognize my responsibility as an adult to report any concern or circumstance that endangers the wellbeing of any participant or others. I am to share such concern with designated event staff, as well as appropriate state agency (if abuse or neglect) and sponsoring ministry.

If I should become aware of sensitive information or potential support needs related to a YOUer's life challenges or behavioral choices outside of YOU (e.g., drug or sexual behaviors) which concern me, I will discuss such matters with the event coordinator, the youth's sponsor or his/her minister to clarify follow-up steps and support needs.

I fulfill the requirements of the "Event Sponsor Agreement" and to support YOUer's in upholding "Group Agreements for a YOUer."

I have read, understand and agree to comply with these agreements. I understand that if I am in violation with a risk management agreement I will be required to leave the event. I will contact the event coordinator if I am unclear about an agreement or its application to a situation.
